

Serious Adverse Event Report Form (CTIMP)

Form completion instructions overleaf

1. **Report type** (tick one)

Initial report

Follow-up information

2. **Site name:** _____

3. **Participant details**

Participant Number:

Date of birth:

 / /

Sex:

Male

Female

Weight:

g OR . kg

(delete as applicable)

4. **ADVERSE EVENT DESCRIPTION:**

(Please record diagnosis if known, an account of the event including signs and symptoms if diagnosis not known, any interventions given to manage the event including dates for these and if event fatal, cause of death if known):

5. **Start date and time of SAE:**

 / /
 :

6. **Stop date and time of SAE:**

 / /
 :

Or ongoing

7. **Date and time site became aware of SAE:**

 / /
 :

Please complete and send this form immediately, no later than 24 hours after becoming aware of the SAE.

PLEASE EMAIL FORM TO: Study Co-ordinating Centre

Enter contact details here

General Instructions

- Complete the SAE Reporting Form as soon as possible but no later than 24 hours after becoming aware of the event.
- Refer to the trial protocol for definitions of Adverse Events (AEs), Adverse Reactions (ARs), Serious Adverse Events (SAEs) and Suspected Unexpected Serious Adverse Events (SUSARs).
- Use a black ball point pen to complete the form, or complete electronically.
- Email the completed form to the Trial Co-ordinating centre at raptor@phc.ox.ac.uk
Expect confirmation of receipt from raptor@phc.ox.ac.uk
- Retain a copy of the completed SAE Reporting Form.
- If you have any questions regarding the classification of an adverse event or form completion then please contact the study team by email at raptor@phc.ox.ac.uk
- Guidelines are not provided for data fields which are self-explanatory.
- Ensure ALL details of the SAE are documented in the participant's medical records including the Investigator's assessment of causality, which the study physician must document in the medical records.
- Record 'NK' for any data that is not known.
- Record all times as 24 hour clock

Page 1

- Q1. If this is the first time the SAE has been reported then please tick "initial". If you are submitting new, updated or corrected information for a previously reported SAE then please tick "follow-up information".
- Q3. Record the unique trial number (**RAPTOR-C19 ID**) assigned to the participant. Enter the participant's weight in grams **OR** kilograms and delete the unit which is not applicable.
- Q5. Enter date and time that the adverse event became serious.
- Q6. Enter date and time that the adverse event stopped being serious (for example, if a participant has a life-threatening condition which was resolved by surgery then the date and time for end of surgery would be entered).
- Q7. Enter the time and date that a member of the site trial/study team became aware of the SAE.

Serious Adverse Event Report Form

Form completion instructions overleaf

8. Please record severity of event: *(tick one box only)*

Mild Moderate Severe

9. Reason this event is classified as Serious: *(tick one box only)*

Fatal Life threatening
Requiring/prolonging hospitalisation Congenital anomaly/birth defect
Significant disability/incapacity Other important medical event

10. Relevant medical history: *(including co-existing medical conditions, allergies or similar experiences)*

11. Laboratory results relevant to the SAE: *(Please give details of relevant results, dates and reference ranges in the space below or attach a printout with these details highlighted and patient identifiable information obscured)*

12. Specify the study drug details below: N/A for RAPTOR C-19

Study drug name	Dose	Frequency	Route	Date started	If discontinued, date stopped
				D D / M M / Y Y	D D / M M / Y Y
				D D / M M / Y Y	D D / M M / Y Y

Did the event resolve after stopping study drug? Yes No N/A

Did the event reappear after reintroduction? Yes No N/A

Action taken with study drug: None Discontinued temporarily
Dose reduced Discontinued
Dose temporarily reduced

Page 2

- Q8. Choose **one** of the severity options to describe the intensity of the event.
- Q9. Choose **one** of the reasons why the adverse event has been classified as serious. If there is more than one reason which applies then choose the more/most significant one and document other reason(s) in the AE description.
- Q10. Provide a full description of any medical history which could be relevant to this SAE and which may need to be considered by the individual reviewing the event.
- Q12. Record details of study drug(s). This section must be completed regardless of whether there is a causal relationship with the study drug(s).

Page 3

- Q13. Use the table to list all concomitant medications and use additional pages (P3a section 13a) if required.

--	--	--	--	--

Serious Adverse Event Report Form

13. Concomitant medication *(generic names only):*

None **OR**

Describe all non-study medication taken at the time of onset of the event and medication given to treat the SAE including prescription, non-prescription and over-the-counter medication.

Medication	Indication	Given to treat SAE	Dose	Frequency	Route	Date started	If discontinued, date stopped
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY
		<input type="checkbox"/>				DD / MM / YY	DD / MM / YY

Did you document further concomitant medications on the supplementary SAE report page 3a?

Yes No

If Yes, how many pages did you complete?

Serious Adverse Event Report Form

Form completion instructions overleaf

14. Outcome of event: *(tick one box only)*

Resolved Resolving Not resolved
Resolved with sequelae Unknown Fatal

If fatal, give date of death:

//

Was a post-mortem performed/ is one planned?

Yes No

If Yes, give date of post-mortem:

//

15. Is there any further information to come?

Yes No

NB: Follow-up information should be submitted on any unresolved event until resolution (please use another SAE Report Form, and only report any new or changed information).

16. Reporter's signature: _____

Date:

//

Print name: _____

Position: _____

Telephone number:

Further contact details *(e.g. bleep/pager number, please specify):*

IMPORTANT: This section of the SAE report is to be completed by a medically qualified individual only.

17. Causality of the Serious Adverse Event:

The Reporting Clinician's decision on relationship to the IMP *(tick one box only)*

Not related Possibly Probably Definitely

I confirm that I have reviewed Pages 1, 2, 3 and 4 of the Serious Adverse Event report and that all data are correct.

Assessor's signature: _____

Date //

Print name: _____

Position: _____

Telephone number

Further contact details *(e.g. bleep/pager number, please specify):*

If this information is not available at the time the SAE is first reported, please re-send all pages of this report once completed.

Page 4

- Q14. Select **one** of the outcome options. If the outcome is “Resolving” or “Not Resolved” then complete a follow-up report when the status of the SAE changes.
- Q16. Include a telephone number for the person reporting the SAE so that the individual assessing the event can contact them in case of queries or if clarifications are needed.
- Q17. A medically qualified individual is responsible for reviewing the SAE and considering whether the event was related to the study drug(s).

If a medically qualified individual is not available to make the causality assessment send in the SAE Reporting Form without this information and re-send the form as soon as this assessment has been made.
